The Glazer Children's Museum is celebrating **10 Years of Play** in 2020! Far from a frivolous pursuit, play is truly the work of children. Every time a child plays - with an adult, with another child, or alone - new connections form in the brain, building that child's potential for the future.

Please join us for the **8th Annual Education is Key Breakfast** to celebrate the impact of play in our community and to honor an Outstanding Student and Teacher for their dedication to the power of play. The event raises funds for the **Museum's Social Responsibility Initiative**, helping ensure all children have access to a safe, nurturing, creative, and fun place to play. From scholarships to sensory-friendly events to free admission days, we strive to provide programs and services for families in need. The Museum relies on generous contributions from individuals, corporations, and foundations like you to make this a reality. Help us make 2020 a record-setting year as we set the stage for the next decade of play!
