Introducing GCM's Educator Memberships!

Our Educator Memberships were designed to bring the GCM experience to you and your students all school-year long! We have **three membership options** to best suit educators' needs — all meant to provide access to standards-based, literacy and STEM-focused Think Studios, weekly science shows, educator discounts, and more!

**Single Educator
Membership \$50**
Access to 1 Grade
Level for 1 Educator

**Team Educator
Membership \$150**
Access to 1 Grade
Level for 5 Educators

**School K-4
Membership \$500**
Access to Grade Levels
K-4 for all Educators

Let's Get Started Today!

#TeamGCM is happy to include everything you need to share this Educator Membership with your students and their families! What's included in this kit?

For Your Students: We've provided an exciting **Digital Field Trip Preview** that you can share with your students to get them excited about all that they will enjoy this year! You can also share the video with parents and guardians, so they know exactly what they are supporting.

For Parents and Guardians: You will find a **Digital Field Trip Invitation** to share with your students' families. Use this invitation to share information about the membership and to kindly ask for a donation to access the digital content. Just \$2 per student in a class of 25 would cover the cost of a Single Educator Membership!

For You: We're including a copy of our **September 2020 Educator Newsletter**. Enjoy the resources provided in this newsletter including a mindfulness activity you can do with your students and access to resources from the If/Then collection! Please share this newsletter with your colleagues!
