

FOR IMMEDIATE RELEASE

**“Daniel Tiger’s Neighborhood: A Grr-ific Exhibit”  
Opens at Glazer Children’s Museum on May 29**

TAMPA, FLA. (MAY 6, 2021) – Glazer Children’s Museum is proud to present **“Daniel Tiger’s Neighborhood: A Grr-ific Exhibit”** from May 29, 2021 through September 6, 2021. This new exhibit brings to life the themes presented in the award-winning PBS Kids television series created by The Fred Rogers Company that follows the adventures of 4-year-old Daniel Tiger and his friends.

“We are thrilled to bring this exhibit and the lessons of Daniel Tiger to our community,” said Sarah Cole, President and CEO of the Glazer Children’s Museum. “We know that the exhibit will resonate with the children and families in Tampa Bay and bring smiles to their faces.”

In **“Daniel Tiger’s Neighborhood: A Grr-ific Exhibit”** children enter the world of Daniel Tiger and friends to explore the Neighborhood. Through immersive experiences, visitors collaborate to solve problems, use their imaginations to transform their surroundings and play along with Daniel’s singable strategies as they learn life’s little lessons. The exhibit, created by Children’s Museum of Pittsburgh in partnership with The Fred Rogers Company, brings to life the themes presented in the PBS series such as community, communication and emotions, which enables young children to understand their feelings and those of their neighbors. Visitors can walk the paths and hear the sounds of Daniel’s world as they encounter the meaning of empathy, gratitude, sharing and diversity in an environment of creative and interactive play. Through music, kids can also sing along with Daniel, work together to solve problems and even experience the contagious nature of kindness.

“Daniel speaks directly to children, and he is their age,” notes Paul Siefken, President and Chief Executive Officer with The Fred Rogers Company. “Because of that, they see him as their friend, and he goes through a lot of the challenges that they face, whether it’s dealing with mad feelings or learning how to share.”

Along with the emotional lessons gleaned in the Neighborhood, visitors can:

- Compose a song or play along with one-of-a-kind instruments
- Visit the Post Office and sort, deliver and receive packages and letters
- Create stories through the Movable Character Mural
- Step inside the Clock Factory to play with a variety of clocks
- Identify spots in one’s own neighborhood on the interactive world map
- Write or draw thank-you notes and put them on the Thank You Tree.

- Cozy up with a good book in O the Owl's Reading Nest and

"For kids to go into Daniel's world and this exhibit and feel like they are part of the Neighborhood is very, very exciting," Siefken adds. "They feel like he is one of them."

### **About the Glazer Children's Museum**

The mission of the Glazer Children's Museum is to create a learning laboratory where children play, discover, and connect with the world around them to develop as lifelong learners and leaders. The Glazer Children's Museum encourages children to play with purpose in 35,000 square feet of interactive exhibits. The Museum is a 501(c)(3) nonprofit organization, serving as an innovative educational, cultural, and accessible resource for Tampa Bay and Central Florida.

### **About Children's Museum Pittsburgh**

Children's Museum of Pittsburgh is a place that delights and inspires children, where they can take off on fantastic flights of imagination daily, and return to earth to splash in a river, hammer a nail and ink a silkscreen. With 80,000 square feet of space the Museum welcomes more than 302,000 visitors annually and provides tons of fun and loads of "real stuff" experiences for play and learning. Permanent hands-on, interactive exhibit areas at the Museum include The Studio, Theater, Waterplay, Attic, Nursery, Backyard and MAKESHOP®. The Museum's award-winning, three-story, center building is screened by a shimmering wind Sculpture and connects two historic structures (Allegheny Post Office Building & the Buhl Building). In 2006 the Museum became a certified green building and was honored by the American Institute for Architects and the National Historic Preservation Trust. In 2015 the Museum was named as one of the nation's fifteen top children's museums by Parents magazine.
