At the Glazer Children's Museum

Today, I am going to Camp Imagination at
the Glazer Children's Museum and I cannot wait!

At the Glazer Children's Museum

First, I will arrive at the museum with my adult and be dropped off outside of the museum.

If I have a lunch box I can put it on one of the carts outside. I will sit on a colored dot and wait for my teacher to greet us outside. I can wave and talk to my friends next to me if I want to.

Next, our teacher will take us into the museum.

We will play in the museum while there are no guests. It is important that I only play where my teacher says is safe and stay with my group.

When playing, I will make sure to keep my hands to myself and to use walking feet.

When it is time to go upstairs to our classroom, my teacher will call us over to line up. I will line up with my class and wait to go upstairs.

We will either take the elevator upstairs to level three or the stairs. If we take the elevator I will keep my hands to myself and make sure not to touch the buttons or doors. If we take the stairs, I will make sure to hold the railing and walk up the stairs safely.

When we get to the classroom, we will have a Morning Meeting. I can share if I want to, or I can listen to what other campers share.

During snack time, I can eat a snack I brought from home or a snack my teacher gives me. If I need help opening a container or package I will raise my hand and my teacher will help me.

I will not share food with other campers.

When I am finished with my snack I will throw my trash away and put my lunchbox back on the cart.

We will do a fun activity which might be a craft, a game, an experiment, or a story. If I need to use the bathroom or get a drink of water during this time I should raise my hand and let my teacher know.

It is time for lunch! We will first line up to go to the bathroom and wash our hands. When we get back to the classroom I will get my lunchbox or wait for my teacher to hand out a cafe lunch if my adult ordered it for me. If I need help opening a container or package I will raise my hand and my teacher will help me. During lunch my teacher will put on a show for us to watch. When I am finished with my lunch I will throw my trash away and put my lunchbox back on the cart.

After lunch, we will play in the museum and spend quiet time in the classroom.

When we are in the museum in the afternoon I will see lots of people in the museum. I can say hello to them if I want to. I will play where my teacher says it is safe to and stay with my group. When playing, I will make sure to keep my hands to myself and to use walking feet. If I need to go to the bathroom during play time, I just need to tell my teacher and they will make sure I get to the bathroom safely. Sometimes it may be loud in the museum but that is okay. If I tell my teacher, they will give me headphones, or go with me to an activity in a quiet part of the museum.

When we are done we will do more activities in the classroom or we might have guests, like therapy dogs!
Every day is fun and different.

It is now time to get ready for an afternoon snack! I will line up to wash my hands and get my lunchbox. During snack time I can eat a snack I brought from home or a snack my teacher gives me. If I need help opening a container or package I will raise my hand and my teacher will help me. I will not share food with other campers. When I am finished with my snack I will throw my trash away and put my lunchbox back on the cart.

After snack time, it is time to clean up the classroom and get ready to go home.

I will throw away any trash from my activities or any big pieces of trash I see on the floor. I will put away the supplies I was using and line up to go downstairs.

At the Glazer Children's Museum

We will either take the elevator or the stairs down to level one. If we take the elevator I will keep my hands to myself and make sure not to touch the buttons or doors. If we take the stairs, I will make sure to hold the railing and walk down the stairs safely.

When it is time to go home my teacher will call us over.

I will line up with my class. Our teacher might want to review the day and we will talk about all the fun stuff we did.

At the Glazer Children's Museum

It is now time to go outside and wait for our adult to pick us up. While waiting for my adult I will sit on my dot and not walk to my car until my teacher says it is safe to do so. When I get picked up I can tell my adults all the fun things I did during the day!
