What can my camper expect to do each day?

Each camp is themed around an exciting topic with specially designed activities to keep your camper engaged in the material. Every day includes literacy and STEM-based activities, arts and crafts, Museum play time, and outdoor fun! Please note that our campers will play in Museum exhibits, during the quietest times we are open to the public.

Where should I drop-off and pick-up my camper?

Drop-off is from 8:30-9am and pick-up is 4:30-5pm. Camper drop-off and pick-up are located on the west side of GCM near the bus circle on Gasparilla Plaza. Please stay in your vehicle and wait for a staff member to check your child in. Once check-in is complete, please say goodbye to your camper from inside the vehicle! Caregivers will need to provide a photo ID and sign for daily pick-up.

If you are dropping your camper off after 9am or picking your camper up before 4:15 pm, please call us to let us know you have arrived. A staff member will meet you on Gasparilla Plaza to check your camper in or out. Please, no early pick-ups after 4:15pm as we are cleaning up, packing up, and getting ready for dismissal at that time.

If your child is picked up after 5pm, you will be charged a \$5 per minute late fee. The amount collected for late pick-ups will be added to our Camp Imagination Scholarship Fund.

What should my child wear to camp?

Each camper will receive a camp t-shirt on their first day of camp. Please be sure to send them to camp each day wearing their clean camp t-shirt. We will have additional t-shirts for sale for \$10 each. We have lots of fun and play scheduled, so please send your campers to GCM in clothes appropriate for play, such as shorts or pants and comfortable shoes (no flip-flops).

We also encourage parents to pack an extra change of clothes for their camper, in case of an accident.

What will my camper eat?

Camp Imagination will provide a morning and afternoon snack each day. If your child has special dietary needs, please feel free to send two snacks with them each day (clearly marked with their name). Campers must provide their lunch, whether they are bringing it from home or have purchased it from our cafe. Don't forget to pack a water bottle, labeled with your camper's name. Unfortunately, refrigerators are not available to store camp lunches.

Camp Imagination is a **nut-free camp**, please keep that in mind when sending food with your camper.

How can I follow my camper's daily activities?

Each camp class has a Class Dojo account. Class Dojo allows you to contact your child's camp teacher via a direct message. You can also see what your camper has been doing at camp each day! You will receive an email invitation (check your spam folder) to access our Camp Imagination Class Dojo account at the beginning of the camp week.

What is the nightly home link?

Camp educators will challenge campers to complete a home link assignment each night and will follow-up the next morning. Please check our "Week-at-a-Glance" for the home link question for each night. The intention behind the home link is to "link" what campers learned at camp to discussions at home. It is an excellent way for parents to ask campers about what they have been learning!

What if I need to reach Camp Imagination staff?

For all assistance with camps, you can contact our Camp Imagination staff at **(813) 599-8780** or emailing **camps@glazermuseum.org**.

Can my camper and their friend be in the same class?

Camp classes are separated by age. Generally, we have one class of 4-5-year-olds, one class of 5-7-year-olds, one class of 6-8-year-olds, and one class of 8-10-year-olds. We will always try to accommodate class placement requests if it will improve the camper's experience in Camp Imagination. If you would like to input a specific class placement or make any changes to your child's registration, please follow the instructions below.

1. Sign into your Sawyer account at **HiSawyer.com**
2. Locate the profile icon in the top right corner of the screen and select **My Profile**
3. Fill out the **Profile Information** and **Profile Form Fields** sections
4. Locate the **My Children** tab in the top left section of the toolbar
5. Select your child's name that is registered for camp
6. Fill out the **General Information** and **Profile Form Fields** sections
7. Locate the section that reads "**Does your child have any needs or requests we can accommodate?**" For example, a specific class placement, special needs, etc. This is where you can put the names of the campers that would like to be placed together.

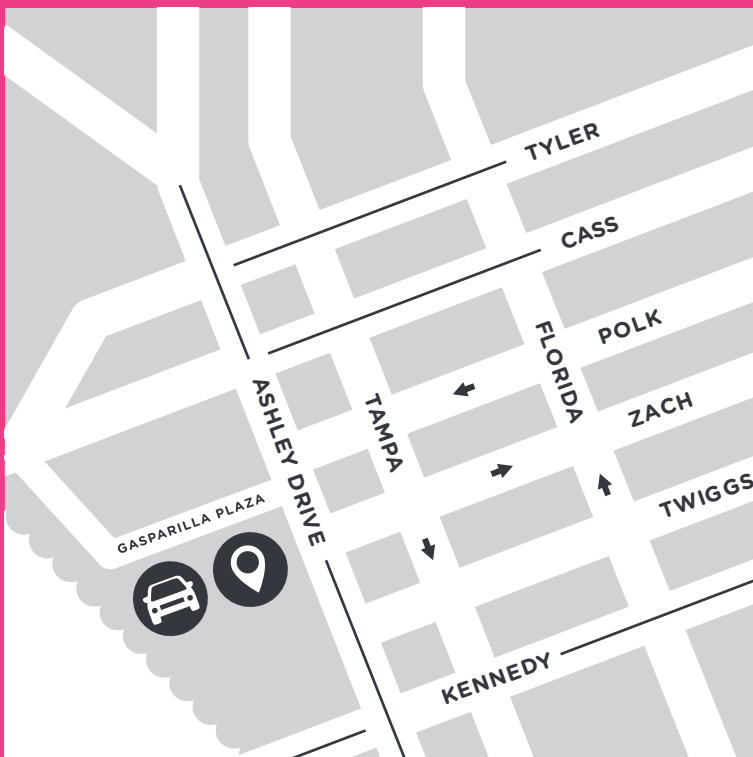

What precautions are taken to keep my camper healthy and safe?

Per our sick policy, we ask all parents to monitor their child's health and keep any sick campers at home. If a camper feels sick during the camp day, they will be isolated, evaluated, and cared for in the office. Any camper with a fever will be sent home.

What precautions are taken for my camper with allergies?

Please let us know if your camper has any allergies that may affect them at camp so that we can take the appropriate precautions to keep them safe. We are a nut-free camp and only serve snacks that are nut-free. We also monitor the room during snack and mealtimes to make sure all foods are nut-free.
